

Terminate-R x 1000cycle

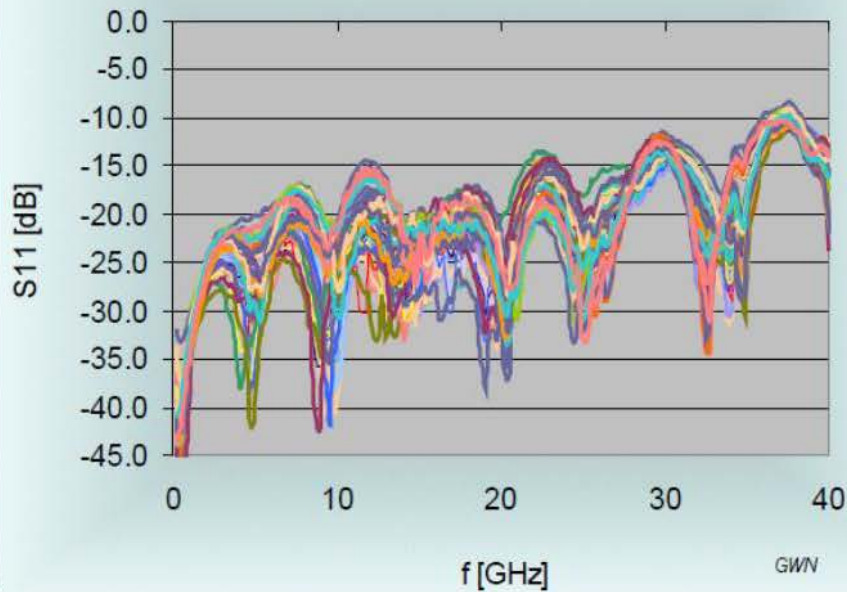

Repeatability of the high-frequency characteristics

Terminate-R x 1000cycle Repeatability

Return Loss

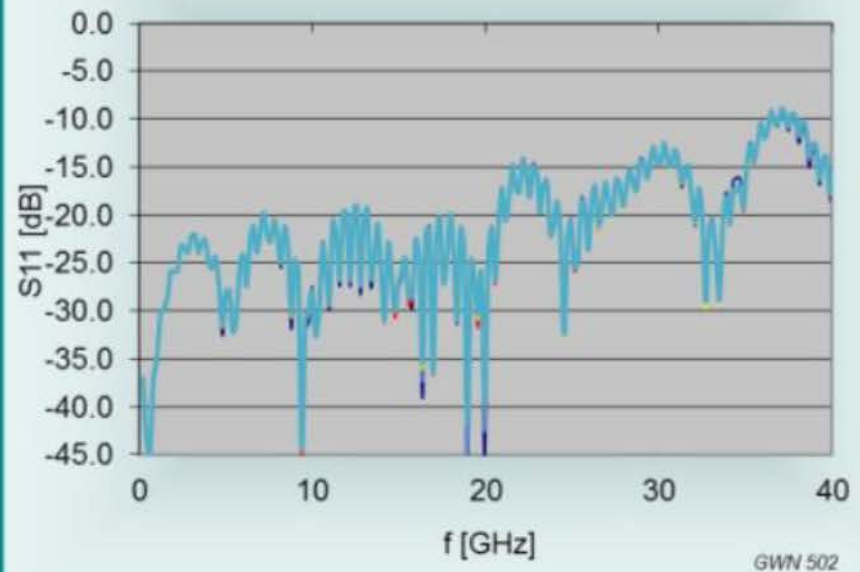

Measurement of 56 different channels (4 different channels on 14 different TR™ assemblies), all other transmission lines are the same.

S11 (f)

Repeatability of single channel over 1000 cycles
Measurements at 0, 50, 100, 500, 1000 cycles

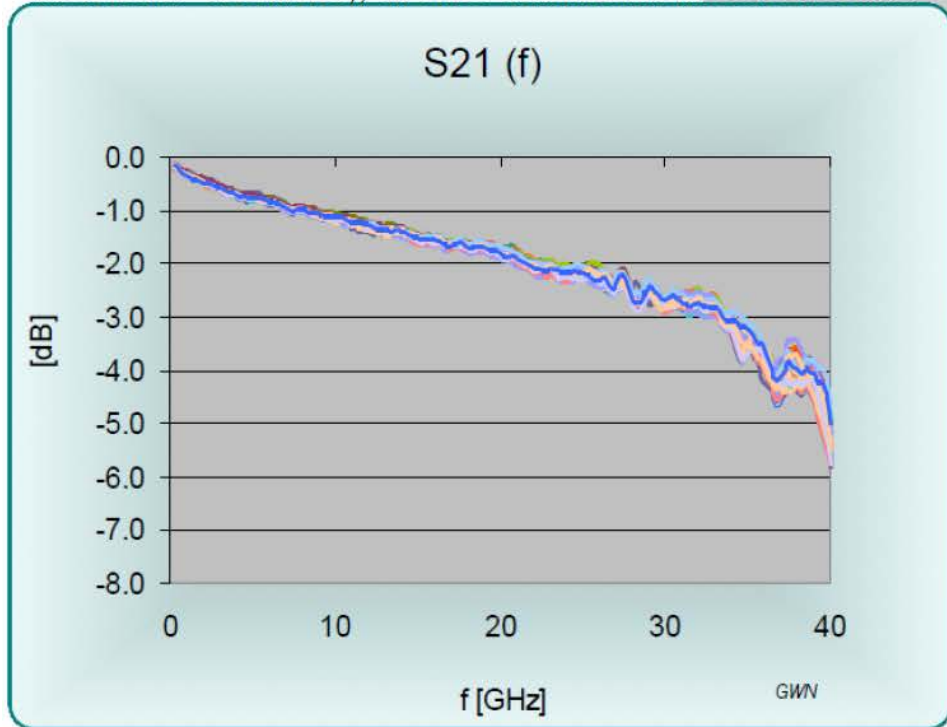

S11 (f)

Terminate-R x 1000cycle Repeatability

Insertion Loss

Measurement of 56 different channels (4 different channels on 14 different TR™ assemblies), all other transmission lines are the same.

Repeatability of single channel over 1000 cycles
Measurements at 0, 50, 100, 500, 1000 cycles
